6 The statistical statement furnished seems to show that there was a sudden falling off in the Subscribers (enjoying Concession rates) soon after the withdrawal of the Concession -

7 The ~~final~~ number of full rate Subscribers also ~~has~~ seems to have heavily fallen during the Current year as the number of such Subscribers is stated to be only 78 from 1st July 23 -

8 As pointed out in the resolution of the Conference, the revival of the Concession may perhaps be made Conditional on a certain number of Shanbhogs Patels etc notifying their Consent to Subscribe

Bangalore.

Sir,

With reference to your letter No.E.2058/P. & S.12-23-15, dated the 17th instant, enquiring whether subscription to the kannada edition of the Mysore Gazettemay not be reduced in view of the smaller cost of its production, I have the honor to state that the rates of subscription for both the English and Kannada editions were raised from Rs.8/- to Rs.12/- per annum, in G.O. No. E.1319-70/P. & S.37-22-1, dated 22nd August 1922, in consequence of the increased cost of printing and stationery and that this measure was intended to improve the finances of the Gazette as it was observed that the expenditure incurred on its publication was far in excess of the income. The only hardship that existed in the denial of the concession previously allowed to Shanbhogs, Patels and Sheikdarshas now been removed by G.O. No.E.1892-1902/P. & S., 12-23-13, dated 8th December 1923 and a decided improvement may now be expected in the number of subscribers for the kannada edition. The effect of this concession may be watched for a year before the reduction of the subscription for the kannada edtion is effected.

Sir.

With reference to your office letters nos 273 & 373 dated 19 SL Sept. 1923 and 13th Oct 1923, I am directed to observe that according to the details furnished therein, the Cost of a copy of the Gazette, Kannada edition, will be Rs 44 per annum as against Rs 20 for a copy of the English edition of the Gazette and to enquire why the Cost for the Kannada edition is so disproportionately high as compared with that of the English edition.

The favour of an early reply is requested.
